

Product Change Notification for Anker SOLIX X1

Subject: Product Series Transition | A5102 and A5103 Series

Document Type: Product Change Notification

Affected Product Lines: Anker SOLIX X1 Single Phase Power Module, Anker SOLIX X1 Three Phase Power Module

PCN Release date: 2026-05-08

1. Overview

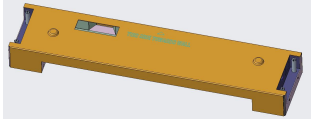

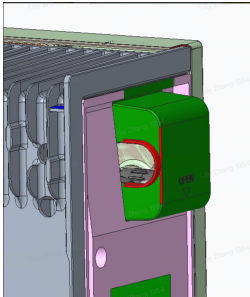

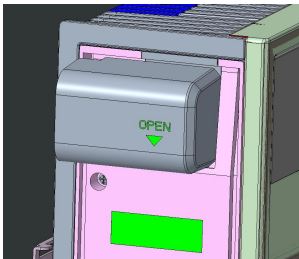

We are writing to inform you of a product version transition across Anker SOLIX X1 Power Module product lines. The new version incorporates several structural, functional, and accessory improvements aimed at enhancing installation convenience, connection reliability, and measurement capability.

The transition to the new SKU will be implemented gradually based on depletion of existing inventory.

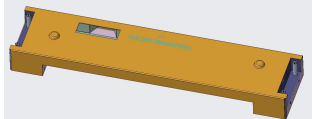

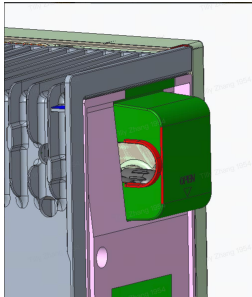

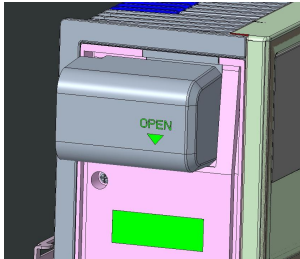

2. Affected SKUs
